

We are looking forward to seeing everyone here in Canberra and we hope you all have an enjoyable weekend.

To help the event run smoothly, please read the following notes:

- The weather is forecast a bit variable, and nights can still be a little chilly so please bring clothes/rugs for anything!
- Canberra Lakes Pony Club will be helping with the gate in the mornings, but at other times, please close it behind you.
- The PA system will be broadcast again on FM radio. Tune your car radio to 99.5
- Ice will be available to pre-order from the secretary's tent on Saturday. Delivery is Sunday morning at 930am and 12 noon. Payment required on order, \$5 a bag.
- Farrier: Hamish from Performance Farrier Services 0488060321 This is a pay for use service.
- The vet for the weekend is Natasha Webb. 0424 959 115 - She's sponsoring a class so please say thanks.
- Dogs are allowed at the event but need to be on a lead at all times.
- There will be a riders briefing for the CIC classes at 5.30pm in the marquee.
- Don't forget to take the time to thank any sponsors you come across – they help us make this event possible – they should be wearing a lanyard so that they can be identified.
- Sam Lyle will be leading a course walk for riders in the EvA95 classes leaving the start box at 5pm. This is sponsored by Riverview Farm. Shaun Dillon will be walking the EvA80 track at 5pm also.
- Only riders with multiple horses have a reasonable reason to not be able to jump both XC and SJ at their allocated time. However, it is inevitable that times may be ahead or behind the scheduled time, so please listen out to the announcements.
- There is a new app called Scoreboard. Notifications about your class and scores will be sent to your phone if you download the app, so make sure you get it. You will need your invoice number from your entry to this event, or your rider login for nominate. For those who haven't got their invoice number, you can contact Kate (or search your inbox). [Android users click here](#) and iPhone users [click here](#)
- Parking will be reasonably tight, so please be considerate when you set up.
- If you are arriving on Friday – please arrive after midday.
- For those camping – we have a firepit and BBQ available for you to use beside the shower block. Please do not have fires anywhere else. Thanks.
