

We hope you're looking forward to this weekend!

Remember the address of the competition is Equestrian Park, Cotter Road, Curtin, **not** the National Equestrian Centre!

There have been significant roadworks on the Cotter Road, and the entrance has been recently resurfaced so make sure you slow down with enough time to make the turn in. If you are coming from the north or west, we

suggest that the best way in is to drive on the Tuggeranong Parkway and turn left onto the Cotter Road, this then means turning left into the driveway.

The weather is forecast to be warm and sunny, but the nights can be a little chilly so please bring clothes/rugs for both!

Some other little bits and pieces to help you this weekend be as successful as we can:

- If you see the main gate left open, please close it.
- We have record entries - which is wonderful - but it means that parking sensibly will be paramount. Our request is that the parking alongside the road is for those with trucks too large to get into the camping area, and for day parking.
- There is a private function being held at the woolshed on Saturday afternoon/evening. This also means we need to be extra careful with the front gate - as non horsey people don't really "get" gates. There are specially marked areas for those guests to park.
- The PA system will be broadcast again on FM radio. Tune your radio to 99.5 to hear all the announcements.
- Please do NOT move any temporary fencing and drive onto the cross country course. Competitors who do this will be eliminated.
- A reminder that if you are camping, you need to be in the area behind the fence on the left hand side of the road, leaving room on the road side for those with big trucks and day stayers.
- We have a permanent shower and toilet block which is located in the camping area.
- Ice will be available to pre-order from the secretary's tent on Saturday. Delivery is Sunday morning at 10am. Payment required on order, \$5 a bag.
- Vet: Tash Webb 0424 959 115. This is a pay for use service.
- Farrier: Hamish from PFS (a sponsor of the event) 0407284476
- Riders Representatives:
 - 1*, 105, 80 Natalie Blundell 0402 281 285
 - 95, 60 Rose Read 0418216364
- Dogs are allowed at the event but need to be on a lead at all times.

- Can't be bothered cooking dinner? The Hungry Budha Nepalese takeaway delivers to the gate - call 6285 2425.

Our EvA95 class sponsor, Powells' Stockfeed are going to deliver feed/bedding to the event on Friday - please call them on to order: 02 62824837

Last year, we organised course walks for riders. It was well received and we are again inviting those who are new to the sport/riding up a level/need to hear some wise and reassuring words to join in on them. They will leave from the start box at 6pm. Thank you Riverview Farm!

RIVERVIEW
— FARM —

Riders in EvA95 need to check what number they are following in the dressage - the sequence is not regular!

Funky Brew are serving awesome coffee again and Canberra Lakes Pony Club are running the canteen over the weekend and opening the front gate for you – so have your coins handy!

To help the event run smoothly, Dressage takes preference if you have multiple horses. SJ and XC are to run in numerical order as much as possible, but if you can't ride at your allotted time due to multiple ride commitments (and there is no other acceptable reason for doing so), please try to ride earlier rather than later. The XC is a move up draw, so that no-shows, scratchings, and competitors riding out of order will affect start times. Riders must be ready to start when called by the cross country marshal, and those who need to vary their starting order due to other rides must inform the marshal of this in advance.

Please contact Kate if you are scratching on canberraode@gmail.com (which is preferred) or phone 0403200341 if you want to hear me telling my kids to stop talking to me while I am on the phone.

Don't forget that our sponsors help us improve the event each year - so please send them an email, or say thanks on their facebook page - it would really make their day!

Due to having the highest number of horses ever at this event, we need 6 arenas. So the PC arena is located adjacent to the woolshed, within the Canberra Lakes Pony Club grounds.

Feedback from the previous event indicated that the warmup arena was too busy, and so we will be restricting the number of horses in the warm up to those who have their tests within the next 30 minutes.

If you want to lunge your horse, there is an area set up for this just inside the gates to the camping area on the left.
